By Jackson

AN ACT to amend Tennessee Code Annotated, Title 13,
relative to public planning.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 13-3-102, is amended by designating the existing language as subsection (a) and by adding the following language to be designated as subsection (b):

(b)

(1) Notwithstanding the provisions of this section or any other provision of chapter 3 or chapter 4 to the contrary, a municipality having a population of not less than nineteen hundred (1900) nor more than nineteen hundred twenty-five (1925), according to the 2000 federal census or any subsequent federal census which has a municipal planning commission shall not be designated as a regional planning commission as provided in subsection (a), and if such a designation has been made by the department, the designation shall be removed and shall no longer apply. On the effective date of this act the designation for and authority of such municipality shall be that of a municipal planning commission.

(2) Any action taken by the municipality as a regional planning commission prior to the effective date of this act shall not be affected by its redesignation and authority as a municipal planning commission. Further the area outside the municipal boundaries over which such municipality had power when acting as a regional planning commission shall revert to any authority granted to the planning commission of the county in which such municipality is located.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
